Prayers in honor of and to the Blessed Virgin are a powerful weapon against sin, and for healing. If you recite the Rosary at home, please offer these intentions, and join us on Sunday at 8:30 am. Those who recite the Akathist to the Mother of God or the Rosary receive a partial indulgence when they do so in private, plenary indulgence when they do so as a group

Intentions of the Rosary

1st Decade: Help for persecuted Catholics, especially in communist and Islamic states

2nd Decade: Spiritual and physical growth of our parish and the Byzantine Catholic Church

Holy Father's Intentions for October

Faith Formation - All 250 slots for Father Chris' Oct. 27 online presentation on Blessed Theodore Romzha are full. If you are signed up and are willing to welcome a few people to your home, please contact the office. Also, it will be recorded for future use.

Two Sundays ago our ECF students and teachers received special blessings as they embarked on a new step in their journey of faith. Please keep them in your prayers, encourage the students and their parents in their studies, and ask God's enlightenment upon them and those who accepted the responsibility to teach them the Way of our Lord. God Bless You!!!

October is traditionally dedicated to the Mother of God, especially the recitation of the Holy Rosary. While the Rosary comes from the Latin Church, it is a Christ-centered prayer of 150 Hail Marys, to match the 150 Psalms, meditating on the life of Our Lord from His conception in the womb of Mary until He crowns her as Queen of Heaven - a title found in Orthodoxy as well.

If you are not devoted to the Rosary, it is certainly a time to pray the Akathist to the Mother of God. Marian devotion is crucial in the life of a Christian, as we honor the Theotokos who, as the title of our church indicates, prays perpetually for us before the throne of God.

AS WE GROW OLDER AND WISER we realize a \$300 or \$30 watch - - - they both tell the same time.

Whether we carry a \$300 or \$30 wallet/ handbag - - - the amount of money inside is the same.

Whether we drink a bottle of \$300 or \$30 or \$3 wine - - - the hangover is the same.

Whether the house we live in is 300 or 3,000 or 30,000 sq. ft. - - - the loneliness is the same.

And we realize our true inner happiness does not come from the material things of this world.

Whether we fly first or economy class, if the plane goes down - - - we go down with it.

Whether we fly first or economy class, if the plane reaches its destination - - everyone arrives at the same time. Therefore . . . we should realize that when we have mates, buddies and old friends, brothers and sisters, with whom we can chat, laugh, talk, sing, talk about north-south-east-west or heaven and earth -- that is true happiness!

Six Undeniable Facts of Life:

1. Don't educate your children to be rich. Educate them to be happy, so when they grow up they will know the value of things, not the price.
2. Best wise words: "Eat your food as your medicines. Otherwise you have to eat medicines as your food."
3. The one who loves you will never leave you because, even if there are 100 reasons to give up, he or she will find one reason to hold on.
4. There is a big difference between a human being and being human. Only a few folks really understand that
5. You are loved when you are born. You will be loved when you die. In between, you have to man-age!
6. If you just want to walk fast, walk alone; but, if you want to walk far, walk together!

Six Best Doctors in the World:

1. Sunlight
2. Rest
3. Exercise
4. Diet
5. Self Confidence
6. Friends

And, finally:

The nicest place to be is in someone's thoughts, the safest place to be is in someone's prayers, and the very best place to be is.....

.....in the hands of God

Saint of the Week

October 4 - St. Francis of Assisi -

Radically in love with Christ, a man who could kiss a leper covered with open sores, Francis said that he would bow before a priest instead of an angel, because of what the ministry of a priest brings to the world. An ordained deacon, Francis set Italy ablaze as sons and daughters of leading families gave up everything in order to witness to Christ in absolute poverty: the men wandering the land preaching, the women living in poverty as the Poor Clare Nuns behind cloister walls.

Francis' deep love of Jesus led to him creating the living Nativity scenes, which gave us today's many Christmas cribs, and to embrace Christ Crucified so well that he was given the five wounds to carry in his body. Birds listened to his preaching, the fierce wolf of Gubbio became a beloved pet of the city, and men's hearts returned to God in an age of abandonment. Pope Innocent III saw Francis holding up the tottering Catholic Church in a dream, and so he gave papal blessing to the creation of the first of the mendicant, or begging, Orders.

Because of their humble witness, the Franciscans were given custody of the Catholic shrines of the Holy Land by the Muslim rulers. Francis is the patron saint of animals, the environment and ecological studies, against dying alone, those who work with or care for animals, Santa Fe, Nambe Pueblo, and the state of New Mexico.
